

Broken Oak Ranch

PHENOMENON

PB16765

The grand LADY of Braunvieh, "Phenomenon", is a once in a lifetime female. Phenomenon, the dam of Final Answer, the black & polled sire serving at Kent Cattle Co. & American Braunvieh Sires. Phenomenon, the dam of Black Joker, the black & polled 2005 Braunvieh Show Bull of the Year and in service at BOR and Findley Farms. Phenomenon, the dam of Miss Lifeline K0020, the black & polled dam of bulls Cornerstone and P405 and the great female Virginia. Phenomenon is a proven female unequalled in the Braunvieh business. To make more Phenomenon GENETICS available to cattlemen, she is in the industry's latest technological reproduction programs.

EPDs: BW +1.2, WW +4, YW +11, Milk -1, M&G +1

MISS SAMIRAL C340 PC6108

This powerful double bred Sambo female has produced 23 produce, one of which was "Phenomenon," and others of notable standing. C340's excellent performance, longevity, pedigree and EPDs almost demanded that we place this black and polled female in the industry's latest technological reproduction programs along with her daughter, "Phenomenon." This female's 23 produce now serve in 9 separate breeding establishments. She is a thick-made, high performing female and a producer of high performing offspring that will continue to make Braunvieh history in the future.

EPDs: BW +0.4, WW +9, YW +15, Milk 0, M&G +4

BOR MISS HAILEY'S COMET

This Nat'l Champion & 2005 Show Heifer of the Year is currently in our ET program. Her ET calves possess the same outstanding performance, quality & confirmation she has had from birth.

EPDs: BW +1.5, WW +8, YW +13, Milk -3, M&G +1

MISS BOR 1342P

The reserve champion heifer at '05 Houston & '05 San Antonio behind Hailey's Comet, "1342" is a polled, perfectly made heifer that is also in our elite female listing and in our ET program.

EPDs: BW -0.6, WW +3, YW +3, Milk -2, M&G 0

Please keep the 2006 Labor Day weekend (first weekend in September) open for the 2nd Broken Oak Production Sale. We will be sharing the fruits of our labor with our friends.

Performance Females

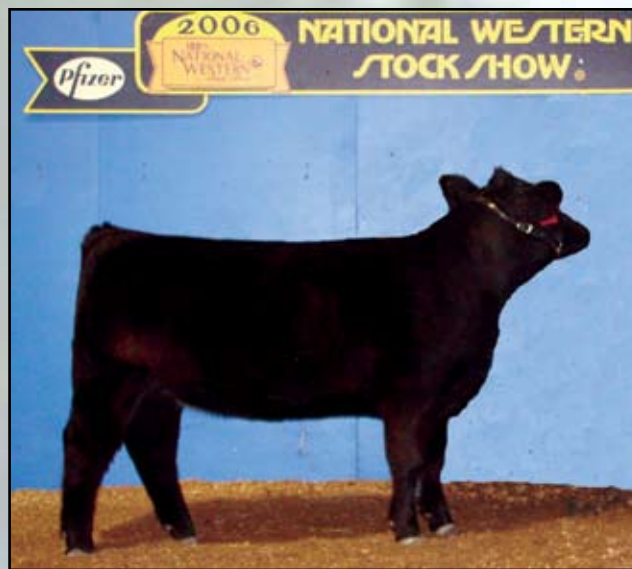

New Additions to the BOR Herd

Miss DRR CHICA R144 - PB53676

2006 National Western Junior Heifer Calf Champion and purchased in the National Braunvieh Sale from Double R Ranch, Mayetta, KS. This polled purebred has the kind of performance, conformation and disposition that we strive to place in our herd.

EPDs: BW +0.4, WW +7, YW +7, Milk +2, M&G +6

MS DLT SHANIA 432 - PB51320

Shania is a double bred Polled Black Flash, double bred Durable Jerry and double bred Miss Polled Eagle E516 making her a very attractive female for the BOR cow herd. Black and polled as well as inbred, she will add to our program. Purchased from Dean Thernes at 2006 National Western.

EPDs: BW -1.5, WW -1, YW -4, Milk -3, M&G -4

While selecting a few really great females to use in our embryo program and other technological reproductive programs, we KNOW behind every good animal is an excellent mother. Thus, while we practice and use all the latest genetic technologies to develop our BOR herd, we KNOW it takes a whole herd of top females to produce quality seedstock in volume.
