With our purchase of the WhiteTail herd came their semen interest in Joker. We then purchased possession from Woodring Ranch. We own this bull with Findley Farms and have full possession. He is in Seguin where he joins his sire and dam, along with the outstanding herd sire battery of Broken Oak Ranch.

Contact us or Tom Findley for semen availability and pricing on this up-and-coming outstanding black polled Braunvieh bull.

Check out our semen for sale page at:
