## Quality Replacement Females

This black and polled Thunder daughter is an example of what to expect at Broken Oak Ranch. She was the high selling bred heifer in our September 3rd Sale. This past 2004 Houston Grand Champion sold to Gary Wagner from Oklahoma. Thank you for your choice of Broken Oak genetics.

This Lone Star Top Shelf sired 4 year old bred cow is another example of the outstanding quality you can expect from Broken Oak. She sold in our September 3rd Sale, bred to Coal Miner, to Yates Braunvieh. Thank you Larry for your choice of Broken Oak genetics.

We didn't sell all of our replacements. This is an example of what we have held back to go into our program. We are trying to insure that we are your one stop Braunvieh replacement supplier. We breed our cattle for performance and profit.
